## The Ehret Family Winery Estate

Ehret Family Winery's Bavarian Lion Vineyards have been owned and farmed by the Ehret Family since the mid-1990's. The estate vineyards showcase the best that Knight's Valley has to offer. The Knight's Valley American Viticultural Area (AVA) is protected from the marine influence of the Pacific Ocean, making it the warmest AVA in Sonoma County. The vineyards on the estate range from 400 feet to 800 feet in elevation, and are located just north of Calistoga and east of Alexander Valley, on the foothills of Mount St. Helena. The unique topography and soil content make this an excellent area to grow grapes that are also planted in the famous Bordeaux region of France. The soil consists of well drained, very gravelly and sandy loams formed from mixed sedimentary and basic rock.
